### ACCESS

Plans are underway, and session information listed on our website will detail where Auslan and captions have been included. We are in a process of embedding dignified, Disability-led access into TILDE. At the 2025 festival you can wheel in, lounge on beanbags, move when you need to move, relax in the quiet room at any time, and take up the space that you need to. On our website we have more detailed information. This page will hold our access guides, which are also formatted for screen-readers: [tilde.org.au/access](https://tilde.org.au/access)

You are warmly invited to speak to our Access Coordinator about what we can do to welcome you to our events. Email: [access@tilde.org.au](mailto:access@tilde.org.au)
